What is "Forge Key?"

Forge refers to the comprehensive formative/renewal paradigm developed by Claretian missionaries, inspired by the charismatic formative experience of their founder, Saint Anthony Mary Claret (1807-1870). In a deeply mystical experience, he found himself being formed in the forge of the Heart of Mary, to be transformed into an arrow poised to be released to evangelize the world. Claretians have evolved the Forge as a comprehensive formative paradigm, in the spirit of Vita Consecrata, applicable to all consecrated men and women.
